HOUSE MOTION _____

MR. SPEAKER:

I move that House Bill 1006 be amended to read as follows:

- 1 Page 9, between lines 38 and 39, begin a new paragraph and insert:
- 2 "SECTION 10. IC 6-1.1-21-5.2 IS ADDED TO THE INDIANA
- 3 CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE
- 4 JULY 1, 2004]: **Sec. 5.2. (a) The following definitions apply**
- 5 **throughout this section:**
- 6 (1) "Base year" means the most recent calendar year:
- 7 (A) in which an individual qualifies and files for the credit
- 8 under this section; and
- 9 (B) that is preceded by a calendar year in which the
- 10 individual did not qualify or file for the credit under this
- 11 section.
- 12 (2) "Homestead" means an individual's principal place of
- 13 residence for which the individual receives a homestead
- 14 credit under IC 6-1.1-20.9.
- 15 (3) "Net property tax bill" means the amount of property
- 16 taxes due and payable by an individual for a particular
- 17 calendar year after the application of all deductions and
- 18 credits, except for the credit allowed under this section, as
- 19 evidenced by the tax statements prepared and mailed under
- 20 IC 6-1.1-22-8.
- 21 (4) "Qualifying individual" means an individual:
- 22 (A) who is at least sixty-five (65) years of age on or before
- 23 December 31 of the calendar year preceding the year in

1 which the credit under this section is claimed; and
 2 (B) whose adjusted gross income (as defined in
 3 IC 6-3-1-3.5), either individually or in combination with
 4 the adjusted gross income of:

5 (i) the individual's spouse; or

6 (ii) any other individual with whom the individual shares
 7 ownership of or is purchasing the property under
 8 contract as joint tenants or tenants in common;

9 for the calendar year preceding the year in which the
 10 credit is claimed did not exceed twenty-five thousand
 11 dollars (\$25,000).

12 (b) Each year a qualifying individual is entitled to receive a
 13 credit against the net property tax bill on the individual's
 14 homestead. The amount of the credit to which a qualifying
 15 individual is entitled equals the difference between:

16 (1) the net property tax bill, before the application of the
 17 credit under this section, on the individual's homestead for
 18 the calendar year for which the credit is being claimed;
 19 minus

20 (2) the net property tax billed to the individual for that
 21 homestead for the individual's base year.

22 (c) An individual who desires to claim the credit provided by
 23 this section must file a certified statement in duplicate, on forms
 24 prescribed by the department of local government finance, with
 25 the auditor of the county in which the individual's homestead is
 26 located. The statement must be filed during the twelve (12)
 27 months before May 11 of the year before the first year for which
 28 the person wishes to obtain the credit under this section. The
 29 statement must contain the following information:

 36 individual owns or is buying real property.

37 (5) The source and exact amount of gross income received
 38 during the preceding calendar year by the individual and any
 39 of the following, if applicable:

40 (A) The individual's spouse.

41 (B) Any other individual with whom the individual shares
 42 ownership of or is purchasing the homestead under
 43 contract as joint tenants or tenants in common.

1 (6) The record number and page where the contract or
2 memorandum of the contract is recorded, if the individual is
3 buying the homestead on contract.

4 (7) Any other information requested by the department of
5 local government finance.

6 (d) To substantiate a claim statement, an individual shall
7 submit for inspection by the county auditor a copy of state income
8 tax returns for the preceding calendar year for the following, as
9 applicable:

10 (1) The individual.

11 (2) The individual's spouse.

12 (3) Any other individual with whom the individual shares
13 ownership of or is purchasing the homestead under contract
14 as joint tenants or tenants in common.

15 If an individual described in this subsection was not required to
16 file a state income tax return, the individual shall state that fact
17 in the claim statement.

18 (e) The auditor of a county with whom a statement is filed
19 under this section shall immediately prepare and transmit a copy
20 of the statement to the auditor of any other county if the
21 individual who claims the credit owns or is buying real property
22 located in the other county. The county auditor of the other
23 county shall note on the copy of the statement whether the
24 individual has claimed a credit under this section for a homestead
25 located in the other county. The auditor shall then return the copy
26 to the auditor of the first county.

27 (f) Upon receiving a proper credit statement, the county auditor
28 shall allow the credit equally against each installment of property
29 taxes to which the credit applies. The county auditor shall include
30 the amount of the credit applied against each installment of taxes
31 on the tax statement required under IC 6-1.1-22-8.

32 (g) After January 31 and before February 15 of each year, each
33 county auditor shall certify to the department of local government
34 finance the number and amounts of the credits allowed under this
35 section for that calendar year. Upon receiving the certifications,
36 the department of local government finance shall determine the
37 total amount of the credits allowed in each county under this
38 section and shall certify the totals to the department of state
39 revenue at the same time the department of local government
40 finance certifies the total county tax levies. The department of
41 state revenue shall distribute to each county from the property
42 tax replacement fund the amount of credits certified for that
43 county by the department of local government finance at the same

time and in the same manner as the department of state revenue distributes the county's estimated distribution under section 10 of this chapter. Money is annually appropriated from the property tax replacement fund in an amount necessary to make the distributions.
